Camp Meeting 2008

Many of you have made or are making summer plans. As you do so, let me remind you to make Camp Meeting a part of your summer plans. This year's camp meeting promises to be a rich time! We will spend the five weeks walking through the weekend of Christ's crucifixion. We will do this by listening to some of the characters we don't often pause to hear from. The title of the sermon series will be, "Encounters at an Execution."

As always, a focus on the Word of God, rich gospel music, social events, comedy, and time to be together as a church family will all be featured. Plan to join us on Friday nights and Sabbaths on all five weekends of August.

Children's, Jr. High, and Youth Ministries

This is an exciting time for kids and youth at the Loma Linda University Church! Our church's ministry to kids and youth continues to grow and expand. I thank our ministry team—Jackie Bishop, Children; Rob Mohr, Jr. High; and Doug Mace, Youth—for all that they and their volunteers do for our church. I have to run to keep up with them! They continue to dream about and pray for the children and youth of our church and community. I encourage you to express your appreciation to them for all that they do.

Along these lines, let me urge you to consider volunteering for Vacation Bible School this year. It will be held August 3–7, and will be a part of Camp Meeting 2008. VBS simply will not happen without a host of volunteers—and you can be one of them! The rewards are great! You can make a difference in the lives of the children of this community. So join this exciting event! Throughout the coming weeks, you can speak to Pastor Jackie and/or sign up at the booth in the breezeway.

LET'S DO LUNCH

... SOMETIME SOON

This next year, the Adventist Development and Relief Agency International will be there to feed children who have nowhere else to turn for a meal. ADRA will be there to comfort families who have been driven from their homes by earthquakes, floods, and war.

When you support ADRA, it's as though these acts of kindness are coming from your own hands. It's as if you're inviting the hungry to join you for lunch. The result is filling for them, fulfilling for you.

April is Autism Awareness Month. Autism is a neurological disorder that affects one in 150 children with four times more boys being affected than girls. Symptoms of autism first appear around 18–24 months of age. Early intervention and inclusion with typical peers help children with autism gain valuable skills. Children with autism have feelings and emotions just like we do. The main differences children with autism have are difficulty with communicating, social skills, unusual interests, or behaviors and special challenges. To learn more, contact Adventists with Autism at (770) 252-4484 or AdventistswithAutism@gmail.com.

La Sierra University Library is having a book sale throughout the month of April. Call (951) 785-2044 for further details.

Youth Mission Adventure has two great opportunities for multi-generational family members who enjoy working together constructively by helping others. Honduras: July 31–August 10 and Solomon Islands: September 17–October 5. Projects include construction, evangelistic meetings, and children's VBS programs. Trained personnel are also needed to operate medical, dental, and eye clinics. The Solomon Islands project still needs a construction coordinator, children's ministry director, dental team coordinator, medical outreach coordinator, and head cook. Contact The Quiet Hour at (909) 793-2588 or e-mail charlenew@thequiethour.org.

LLU School of Science & Technology invites all to visit and study Spanish in Spain and Portugal June 29–July 20; July 23–August 13; or July 23–August 6. For more information, contact Clara Jorge Ramirez at (909) 558-1000 x42099 or e-mail cramirez@llu.edu.
